RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents:

In response to the Restriction Requirement dated April 3, 2009, applicants hereby select the following species for examination at this time: **Targeting moiety** being an antibody; **Photosensitizer** being a chlorin; and **Quenching agent** being a carotenoid such as beta carotene.

Claims 1-64 read on these elections.

Consideration of the elected claims is now requested.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
